

REMARKS

In response to the election/restriction mailed on January 17, 2007, Applicants elect Group II, claims 10-22 and respectfully request that Group III, claims 23-32, be examined as well. In this regard, claim 23 has been amended such that it relates to a method having the same classification as the claims of Group II. Additional amendments have been made to the claims to correct further matters of form only. Applicants hereby cancel claims 1-9 and 33 without prejudice to the filing of a divisional application covering the non-elected subject matter.

Applicants do not believe that any fees are due in connection with this response. However, if such petition is due or any other fees are necessary, the Commissioner may consider this to be a request for such and charge any necessary fees to deposit account 23-3000.

Respectfully submitted,

WOOD, HERRON & EVANS, L.L.P.
